Applicant : Paul Robert Fletcher
Patent No. : 6,913,131
Issue Date : July 5, 2005
Serial No. : 10/033,409
Filed : December 28, 2001
Title : CASH HANDLING MACHINE

Art Unit : 3627

REQUEST FOR NEW CERTIFICATE OF CORRECTION

Applicant hereby requests that a Certificate of Correction be issued for the above patent in accordance with the attached substitute form PTO/SB/44.

On or about August 4, 2005, applicant filed an initial Request for Certificate of Correction because the foreign priority information did not appear on the issued patent. The Patent and Trademark office issued a Certificate of Correction on September 13, 2005. A copy of that Certificate is enclosed.

As a result of an inadvertent error by applicant's attorney, the substitute form PTO/SB/44 that accompanied the initial Request for Certificate of Correction incorrectly listed the date of the foreign priority document as December 28, 2001, whereas the correct date (as reflected on the certified copy of the priority document, the inventor's declaration and the Filing Receipt) is December 28, 2000.

Applicant respectfully requests that a new Certificate of Correction be issued to correctly list the date of the foreign priority document (EP 00311734.8) as December 28, 2000. A new substitute form PTO/SB/44 is enclosed and correctly lists the date of the foreign priority document.
